We're The Ready

through an experience that demands their bravery, vulnerability, and curiosity. It takes conviction to join a decentralized, selfmanaging, public benefit corporation where reputation matters

We need to shift our thinking

Organizations are human systems full of potential to navigate complexity, design human processes, and make meaningful

From struggling to attract and retain top talent To giving everyone a voice in shaping the organization. From hoarding information To making nearly all information

priorities and explicit tradeoffs.

decisions at the edge.

We help organizations evolve new practices:

From being bombarded with meetings and email To shedding status

From hitting bottlenecks in decision-making To enabling safe-to-try

From obsessing over short-term results To choosing strategic
